FORM - E

STRUCTURAL STABILITY CERTIFICATE

This is to certify that I personally inspected the RCC framed structure School Building with Auditorium having basement (Part), Ground, Mezzanine (part), First and Second Floors provided with one staircase in this building and having connection in First floor and Second floor levels to the other block which has three staircases, to have additional entry/exit bearing the address **Chinmaya Vidyalaya Senior Secondary School,** "Tapovanam", *(T.S No.145/9 Block No.11, Egmore Village),* No.9-B, Taylors Road, Kilpauk, Chennai 600 010 on 18th December 2025 and examined the various Parts of the building viz. foundation, RCC Columns, beams, roof slab, lintel beams etc. for checking the structural stability condition of the building. From the observations made at the site, structural calculations were carried out to check the structural stability condition of the building based on the IS Codes including National Building Code in practice and found that the actual stresses in all structural members were found within the allowable limits prescribed in IS Codes.

Hence, it is certified that this building is structurally sound for using it as a School Building & Auditorium for the period of three years from **10.01.2026 to 09.01.2029,** subject to periodically maintaining the building as per standards and without making any structural additions and alterations in the building.

Dated   18.12.2025
